

“Sponsor a Day” at the Door County Maritime Museum

The Door County Maritime Museum invites you to sponsor a day of amazement. For \$250, you may sponsor a day at the museum. **What a wonderful way** to honor a loved one, and recognize a special occasion, or a memory; and ensure the future of the museum.

Your donation to the Door County Maritime Museum & Lighthouse Preservation Society helps us tell the stories of bold ship captains, brave seamen, innovative shipbuilders, rugged fishermen, and stalwart lighthouse keepers. Your gift provides educational and outreach experiences **for over 60,000 visitors each year.**

We need and appreciate your help. On an average day, the cost of operating the museum is greater than the income from admissions, membership and other revenue. All gifts help to sustain the museum, an independent 501(c)(3) educational organization. The museum does not receive operational support from any governmental agency.

With your “Sponsor a Day” donation you will be recognized:

- at all three museum locations (Sturgeon Bay, Gills Rock, and Cana Island Light Station)
- on our web site (www.dcm.org) and on our Facebook page
- in our Mari-Times and electronic newsletters
- You will receive a support decal to proudly display on a car window or business entry
- You will receive an original copy of the recognition display.

Please, fill out and return this form with your \$250 donation to become a “Sponsor a Day” participant. Mail it to Door County Maritime Museum, 120 N. Madison Ave, Sturgeon Bay, WI 54235-3416.

Name: _____

Address: _____

E-Mail: _____ Telephone: _____

Sponsor a Day Recognition: Tell us how you would like the recognition to read:

_____ is sponsored by _____
(date) (name or business)
