## **3<sup>rd</sup> Annual “End of Winter Lay-Up Social”**

**5:30 p.m., Wednesday, March 21, 2018**

In waterfront towns and ports around the Great lakes and along our great western rivers, mariners celebrate the “End of Winter Lay-Up” – an event marking when the waterways are once again ice-free and mariners return to the sea or fresh waterways.

*Navy League members, their guests and the maritime employees of the carriers are invited to join us as we celebrate this fine maritime tradition!*

Bring your favorite maritime pictures of vessel in lay-up or iced-up and -- the best of all -- a sea story or two. Hear Denny Behr, Navy League area president for Wisconsin, and others share a few words on the history of this time-honored “Winter Lay-Up” and come meet, greet and thank our merchant mariners.
