Door County Maritime Museum
**Welcome!** For five decades, the Door County Maritime Museum has educated and entertained the public while working to preserve and celebrate the rich maritime history of Door County and the Great Lakes. As one of northeast Wisconsin’s top tourism destinations, attracting more than 70,000 visitors annually, the Door County Maritime Museum serves as a resource for all of Wisconsin.

With your membership, we can continue to tell the stories of Door County for decades to come. Your membership to the Door County Maritime Museum helps to build a sustainable future as we develop new exhibitions, preserve our permanent collection and create educational programming.
